favor: to say busses, then our busses that  
nobody knows that the rest of the  
people don't have to know.

Does tell too much. Diplomatic rather...

Paris should not withhold any info from the  
people making the decision with him, but the  
rest of the people...

Bergeron: 2d group is ~200 who actually read  
some of PP in papers. CAT

Should get involved - but over in, win -  
'dolegy action' didn't offer promise, wasn't fair to  
our men. Now clear it was a mistake to get in.

Now, has to continue as is till there is a resolution  
in Paris ("not in favor of complete total withdrawal -  
being left with nothing for all the busses + may -  
Mil. victory seems to be a lost cause

Our original purpose was to give the Service a self-, representative form of gov. I would like to see us hold out for, not anything less.

(When he left the house on his driveway today, "they read me the Federal Act" - relating to diversion, along access to people not authorized...)

If you had 2 violations, you were reminded that your clearance could be cancelled...
